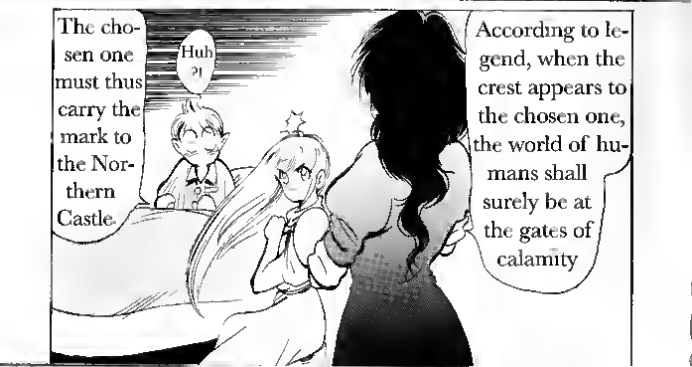
It is a sacred seal said to appear to the chosen Soldiers of the Crest.
That mark is the crest of the Triforce.
"Soldiers of the Crest"...?
S,



The chosen one must thus carry the mark to the Northern Castle.
Huh?!
According to legend, when the crest appears to the chosen one, the world of humans shall surely be at the gates of calamity

"This way is the light of the Exorcist."
"When the seal of the mark is broken, the third way shall be laid open."

This is the sacred land of the Zelda line where the Triforce was said to be created.
Buried ?!
B,
But that happened 400 years ago, now, so it's mostly in the realm of legend.

In this battle, the dark king was sealed within the realm of demons using two Triforce pieces.
This is the long-ago battle between Ganon and I

But the seal was later broken on that fateful day...

No.
B, but Ganon is dead now!! What a relief, huh?? Whew!

What !!
The demon king is attempting to resurrect.
!?
A-long with mine..
That was just one part of Ganon. His true body yet sleeps in the Great Temple within the demon realm.
But.. that.. we..

In order to seal away the demon king's powerful evil, I needed to leave my own body behind in the demon realm.
Then, in preparation for this day that I knew would arrive, I entrusted my soul to two pieces of the Triforce which then fell to earth.
B, but ...
We do have two pieces of the Triforce already.
That means we can seal Ganon away again, right?
Incorrect.
What!!!

That means Hyrule is..
ガガーン
Th, then ...
You cannot close the gate to the demon realm with only two Triforce pieces.
Once broken a seal will not return to its original state.
ポウッ
!?
キュウウウウウ

You mean these things?
Link. These 6 crystals are governed by by the ancient temples in the border lands.
When my body and spirit are united again, a new power will be born and it shall be possible to seal the gate to the demon realm once more.
By using them, one is able to open the way to the Great Temple in the demon realm
Yes..?
And Link..
!
Hm, hm..
I see.

T, to the de-mon realm ?!
I'm going ?!?
Link ... !!!
貧血!!
